Wicked Manors returns to Wilton Drive in partnership with the City of Wilton Manors for South Florida's most spellbinding Halloween celebration benefiting multiple nonprofits across Broward County.

Each Halloween, Wilton Drive transforms into a vibrant, high-energy street festival filled with outrageous costumes, live entertainment, music, dancing, and unforgettable surprises around every corner.

The historic block party takes place along Wilton Drive between NE 21st Court and N. Dixie Highway at Five Points, where traffic is closed to create a safe and welcoming pedestrian experience for thousands of revelers.

Guests can enjoy two electrifying entertainment hubs, the Main Stage and the North Stage, both located near Five Points and featuring dynamic performances, DJs, hosts, and nonstop Halloween excitement throughout the evening.

Last year the celebration entertained guests from 27 countries, 47 US states, The Commonwealth of Puerto Rico, and D.C.
